SKILLS

- Data Analysis & Reporting
- Python (Pandas, NumPy)
- SQL & Database Querying
- Statistical Modeling & Inference
- Data Visualization
- MS Excel & Google Sheets
- Tableau & Power BI
- Dashboard & KPI Development
- Experimental Design & A/B Testing
- Machine Learning
- Deep Learning
- NLP & Large Language Models

LANGUAGES

- English (Fluent)
- Bengali (Fluent)
- Hindi

REFERENCE

Paramita Das

Assistant Professor, SRM University

Email: dasparamita1708@gmail.com

PROFESSIONAL SUMMARY

Data Analyst and NLP Researcher with an M.Sc. in Physics and hands-on research experience at IIT Kharagpur. Co-author of a peer-reviewed paper published at COLING 2025, with demonstrated expertise in Python, statistical modelling, data visualization, machine learning, and cross-lingual NLP evaluation pipelines.

INTERNSHIP

Research Intern

Indian Institute of Technology Kharagpur JULY 2024 - JANUARY 2025

- Implemented the core codebase for a cross-lingual NLP framework bridging content gaps between English and Hindi Wikipedia using in-context learning with LLMs and machine translation
- Designed and executed automatic and human judgment-based evaluation pipelines, achieving up to 65% improvement in Hindi Wikipedia article quality
- Co-authored peer-reviewed paper accepted at COLING 2025 (International Conference on Computational Linguistics)
- Currently contributing to research on Bias Removal in Vision-Language Models (VLMs) in ongoing IIT Kharagpur collaboration

CERTIFICATIONS

- [Google Data Analytics Professional Certificate](#)
- [DeepLearning.AI Data Analytics](#)
- [Mathematics for ML & Data Science \(DeepLearning.AI\)](#)
- [Stanford Machine Learning Specialization](#)

EDUCATION

M.Sc. Physics

Osmania University | Hyderabad

2020 - 2022

Master of Science in Physics (Solid State Physics), graduated with distinction as a top performer with a CGPA of 8.56, demonstrating strong proficiency in advanced theoretical and applied concepts.

B.Sc. Physics

Calcutta University | Kolkata

2015 - 2019

Bachelor of Science with a concentration in Physics, Mathematics, and Chemistry, showcasing comprehensive academic foundation and interdisciplinary expertise.
