SKILLS

- Python (Pandas, NumPy, Scikit-learn)
- Machine Learning
- Deep Learning & Neural Networks
- NLP & Large Language Models
- Statistical Modeling & Inference
- Experimental Design & Evaluation
- Data Analysis & Reporting
- SQL & Database Querying
- Data Visualization
- Git & GitHub

LANGUAGES

- English (Fluent)
- Bengali (Fluent)
- Hindi

REFERENCE

Paramita Das

Assistant Professor, SRM University

Email: dasparamita1708@gmail.com

PROFESSIONAL SUMMARY

Data Scientist and NLP Researcher with an M.Sc. in Physics and research experience at IIT Kharagpur. Co-author of a peer-reviewed paper at COLING 2025. Proficient in end-to-end ML/DL pipeline development, NLP, Vision-Language Models, and statistical evaluation. Strong mathematical foundation applied to real-world AI systems.

INTERNSHIP

Research Intern

Indian Institute of Technology Kharagpur JULY 2024 - JANUARY 2025

- Designed and implemented a cross-lingual NLP pipeline using in-context learning capabilities of LLMs and neural machine translation to transfer knowledge from English to Hindi Wikipedia
- Built and executed automatic and human judgment-based evaluation frameworks, achieving up to 65% improvement in target language article quality
- Co-authored peer-reviewed paper published at COLING 2025
- Actively researching Bias Removal in Vision-Language Models (VLMs) in continued IIT Kharagpur collaboration

CERTIFICATIONS

- [Stanford Machine Learning Specialization](#)
- [Deep Learning Specialization](#)
- [Mathematics for ML & Data Science \(DeepLearning.AI\)](#)
- [Applied Statistics for Data Analytics \(DeepLearning.AI\)](#)
- [DeepLearning.AI Data Analytics](#)
- [Google Data Analytics Professional Certificate](#)
- [Programming for Everybody \(Getting Started with Python\)](#)

EDUCATION

M.Sc. Physics

Osmania University | Hyderabad

2020 - 2022

Master of Science in Physics (Solid State Physics), graduated with distinction as a top performer with a CGPA of 8.56, demonstrating strong proficiency in advanced theoretical and applied concepts.

B.Sc. Physics

Calcutta University | Kolkata

2015 - 2019

Bachelor of Science with a concentration in Physics, Mathematics, and Chemistry, showcasing comprehensive academic foundation and interdisciplinary expertise.
